### Bluffwoods Demo

On October 21-23, several members from Lost Moor participated in the Bluffwoods Renaissance Faire in St. Joseph, MO.

There were demonstrations featuring food preparation, spinning, weaving, bobbin lace, knitting, and embroidery. Additionally, there were several fighting sessions demonstrating various combat skills and weapons.

Lost Moor would like to thank their friends from the Kingdom of Calontir who were able to participate over the weekend.

## A Message from the Chronicler

Welcome friends to the Shire of Lost Moor's newsletter.

I am Collette de Bellefaye, and I am the Chronicler for Lost Moor. My job within the SCA is to collect and share what's been happening within the group. As well as announce upcoming SCA-related events.

A little interesting fact about me is that I enjoy researching different textiles and fashions -- especially 14th century.

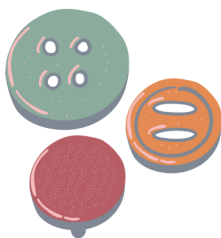

If you have any questions about anything in regard with the SCA, please feel free to contact our Seneschal, or reach out to one of our officers on the Shire of Lost Moor Facebook page.
